

BAE Systems names Partner 2 Win Supplier of the Year award winners

AUSTIN, Texas – April 6, 2023 – <u>BAE Systems</u> honored its top suppliers for its Electronic Systems sector at the sixth annual Partner 2 Win Supplier of the Year awards ceremony in Austin, Texas.

Thirteen suppliers were recognized for their best-in-class performance achieving on-time delivery and quality standards in 2022, as well as partnering with the company to advance and deliver breakthrough technology to its customers.

BAE Systems' Partner 2 Win program is focused on working collaboratively with suppliers to achieve operational excellence and meet the needs of current and future customers.

Award winners are as follows:

- C4ISR Systems: NTK Technologies, Inc., Santa Clara, Calif., a provider of advanced multilayer ceramic integrated circuit substrates and packages
- Controls & Avionics Solutions: Tusk Manufacturing Co., Bohemia, N.Y., a provider of precision machined components
- **Countermeasure & Electromagnetic Attack Solutions**: W. L. Gore & Associates, Newark, Del., a manufacturer of high performance radio frequency and specialty cabling
- Electronic Combat Solutions: Microphase, Shelton, Conn., a designer and manufacturer of customized radio frequency, microwave, and millimetre-wave technology products and solutions
- Power & Propulsion Solutions: Vortex LLC; Peabody, Mass., a provider of custom sheet metal and machined products
- Precision Strike & Sensing Solutions: Stamping Technologies, Laconia, N.H., a supplier of metal stamped components
- **FAST LabsTM Technology Innovation Partner of the Year:** AIMdiyn Inc., Santa Barbara, Calif., a developer of AI analysis and forecasting technologies
- Rochester, UK Supplier of the Year: Axon Cable, Dunfermline, Scotland, a custom designer of cables and interconnects
- **Small Business of the Year:** Indatatech, San Antonio, Texas, a provider of supply chain processes, procurement, and logistics management services
- Original Equipment Manufacturer of the Year: CNC Industries, Inc., Fort Wayne, Ind., a precision machine shop specializing in high-speed machining, fabrication, and assembly of complex mechanical assemblies
- **Original Component Manufacturer of the Year:** YAGEO Group, Fort Lauderdale, Fla., a supplier of resistors and capacitors

- **Distributor of the Year:** Boeing Distribution Services Inc., Miami, Fla., a distributor of hardware and related commodities
- **Subcontractor of the Year:** Harry Miller Co., Inc., Boston, Mass., a supplier of shipping and storage containers

"I want to extend my personal thanks to the invaluable suppliers who helped our company deliver a strong performance in 2022," said Terry Crimmins, president of BAE Systems' Electronic Systems sector. "They surmounted ongoing supply chain constraints and inflationary challenges in order to fulfill our customers' mission critical requirements."
